

Calhoun- Gilmer Career Center Draft Re-Entry Plan for 2020-2021

Note: This plan is an extremely flexible draft that maybe modified at anytime to meet the ever-changing needs of our students and teachers. The safety and wellbeing of our staff and students will be a priority. This re-entry plan has been developed with input from both counties' administrations, teachers, the WV Department of Education and the WV Health and Human Resources.

- **Remote Learning Professional Development opportunities for CTE Instructors will be provided.**
- **Remote Learning opportunities for CTE students will be planned for. This should also include remote learning for students that may not have broadband.**
- **Arrival and Departure will be staggered and will always allow for social distancing of 6 ft. Students will only enter the building through the front main entrance. Departure will exterior doors at the Welding lab.**
- **Hallways will be clearly marked for the flow of travel.**

Mr. Bryan Sterns
Director

Mrs. Shirley Hupp
Assistant Director

- **Students and staff will be temperature checked and screened for COVID 19.**
- **Students will be provided a location that fail screening.**
- **Visitors will be limited and only necessary personnel such Health Inspections and Fire Marshal inspections will be strongly recommended to be scheduled.**
- **Virtual meetings will be used whenever possible.**
- **Face masks or coverings will be required.**
- **PPE Training for correct use will be provided to staff.**
- **Face shields will be provided if necessary, for staff.**
- **Plexiglass Shields will be provided if requested for staff.**
- **Rubber gloves will be provided to each classroom.**
- **Hand sanitizer will be provided for each classroom.**
- **Classrooms will be arranged to allow social distancing.**
- **Chairs will be removed from the computer lab to allow for social distancing.**
- **Students will be trained to social distance at all times.**
- **Only the water dispenser will be used.**
- **A schedule for continual disinfecting will be developed.**

Mr. Bryan Sterns
Director

Mrs. Shirley Hupp
Assistant Director

- **Funding for additional PPE and cleaning supplies are being sought out. This may include funding for an additional custodian.**
- **Class breaks will be held in the classroom.**
- **There will be no one permitted in the Commons area.**
- **Students will use classroom and lab restrooms. Those classrooms without a restroom will schedule restroom use.**
- **There will be no food sales available.**
- **6S Protocol will be used to help facilitate continual disinfecting classrooms.**

Additional notes:

- **SBA Project to renovate our existing restrooms to become ADA compliant. This will include touchless, hand motion sinks, toilets, soap and paper towel dispensers.**
- **As mentioned, two competitive grant opportunities are being sought out. One for additional cleaning supplies and the other for professional development for CTE teachers to facilitate remote learning.**
